CERTIFICATE OF CONVENIENCE AND)	
NECESSITY)	

ORDER

On October 3, 2018, Northern Kentucky Water District (Northern Kentucky District) filed its application for approval of the issuance of a certificate of convenience and necessity and approval of financing for water main replacement containing a motion for deviation from the regulatory notice requirement set forth in 807 KAR 5:001, Section 12(1)(a), requiring the financial exhibit submitted cover a period no less than 90 days from the filing of the application. Northern Kentucky District explained that the current financial statements have not been prepared and there have been no material changes to its financial condition. On October 10, 2018, Northern Kentucky District filed a separate motion for deviation from 807 KAR 5:001(8)(12)(a)(2) requiring the filing of a paper copy of the electronic filing no later than the second business day following a successful electronic transmission. Northern Kentucky District explained they experienced an unexpected delay in copying and delivery of the paper volumes of the application, but that the paper copies were filed on October 8, 2018, which was the third business day after the electronic transmission. Northern Kentucky District cited 807

KAR 5:001, Section 22, as a basis for the Commission's authority to grant deviation from the rules of these regulations for "good cause" shown.

Having reviewed Northern Kentucky District's motions, basis for deviation, and the reasons for the delay, the Commission finds there is good cause to grant Northern Kentucky District's motions for deviation.

IT IS THEREFORE ORDERED that:

1. Northern Kentucky District's Motion for Deviation from 807 KAR 5:011, Section 12(1)(a) is granted.

2. Northern Kentucky District's Motion for Deviation from 807 KAR 5:001(8)(12)(a)(2) is granted.

3. The application for approval of the issuance of a certificate of convenience and necessity and approval of financing for water main replacement is accepted for filing.

4. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
